## 2CELLOS

ACCOMPANIED BY THE LONDON SYMPHONY ORCHESTRA

**2CELLOS**, music's most electric and dynamic instrumental duo, go to the movies for their new Portrait/Sony Music Masterworks album, **SCORE**, which became available last March. Bringing **2CELLOS'** game-changing sound and style to the most popular melodies ever written for classic and contemporary movies and television, **SCORE** will be supported by a world tour which kicked off their U.S. leg this past summer.

An international sensation since their unique video version of Michael Jackson's "Smooth Criminal" rocked YouTube with millions of hits in 2011, the Croatian cellists Luka Sulic and Stjepan Hauser have created three high-energy albums for Sony Music Masterworks. **SCORE** finds them exploring a more traditional sound-world. Joining them here – to provide the ideal aural backdrop to their virtuosity – is the London Symphony Orchestra, with conductor/arranger Robin Smith at the helm. Sulic and Hauser also co-produced **SCORE** with Nick Patrick (Jackie Evancho, Il Divo, Placido Domingo).
