

Due to the Target Center renovation, at the present time there is no direct access from Skyway Level to Street Level, Lifetime Fitness, or Target Center's Box on 1st Avenue. Both mobility-challenged and able-bodied guests will be impacted.

Elevators

Ticketed guests may use the elevator near Section 138/238 for access to Skyway/Arena Floor/Street. An additional elevator is located outside of Target Center's Administration Office on the Skyway Level, which can be taken to the Arena Floor and to Street Level. Life Time Fitness guests with limited mobility will use this elevator to access the club via the Dock Level.

Elevators and escalators are available in Mayo Clinic Square from the Skyway Level to the street.

Wheelchair Escorts

Additional wheelchairs are available in Target Center's Administration Office on the Skyway Level to assist guests with limited mobility to their seats.

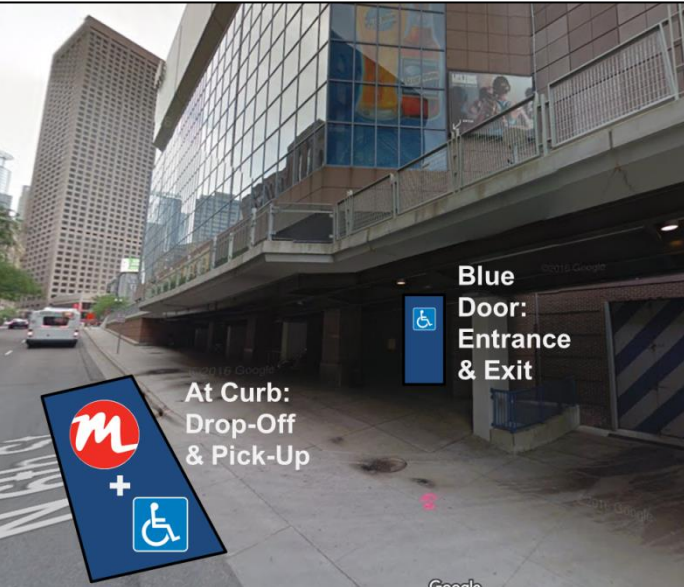

Secondary Box Office

Target Center's Administration Office on the Skyway Level will serve as a secondary Box Office from for guests with limited mobility 9am-5pm Monday-Friday and during all events.

Metro Mobility & ADA Drop-off/Pick-up

The official drop-off and pick-up is temporarily located at the Employee Entrance/Life Time Fitness Accessible Entrance on 6th Street, near 2nd Avenue.

Target Center staff will escort guests to the elevator, which takes them to Skyway Level.

ADA Parking

Guests who have some mobility (e.g. in a wheelchair) should park in either Ramp A or B where there is easy access to ADA parking and direct skyway access into the arena.

Additional ADA Assistance

During event hours, guests may visit Target Center's Skyway Level office on the 2nd Avenue end of the Skyway or call 612-673-1380 for additional assistance.

Thank you for your patience!
